Regarding the costs in Field Education Program.

Dear friends,

This is a breakdown of a per person financial responsibility for Field Education Program. Final price per person will depend on airfare costs, materials specific to the individual's ministry and other factors. YPM accepts an individual scholarship agreement, supports a variety of fundraising efforts, both personal and in a group, to completely cover expenses.

Individuals Ministry

Upon arrival to the Yucatan each participant should have prepaid a minimum of \$16.00 per day/ \$500.00 per month, payable to YPM, Inc. USA in Colorado. Depending on your personal need and expenditure, more maybe needed.

(See itemized expenditures below).

Food

Experience has shown us that restaurant costs can run as high as \$20.00/person/day, again depending on your personal need. However, most individuals buy groceries at a minimum average of not more than total \$8.00/person/per day for breakfast, lunch and dinner, and take the option of preparing all meals themselves.

Lodging

Individuals sleep at local YPM owned and associated facilities or village homes and will have \$2.00/person/per day applied toward the fees associated and to utility costs of lodging.

Transportation

For years YPM has been able to provide vehicles for its ministries to use for ground transportation needs, and currently our vehicles are not available for personal use. When serving within needs of Field Ed ministry, a fee enables YPM to pay the loans, do regular maintenance and repairs, and taxes. The fee of ground transportation will be \$6.00/person/per day. This price does include gasoline.

Optional costs

Costs associated during free times to visit ruins, sightsee, shopping, beaches, water park, equipment rental and other recreational experiences, including highway tolls and any other additional transportation needs will have additional costs.

Payment Schedule

Please make all final payments to Yucatan Peninsula Mission, Inc. two weeks prior to arrival. We need to be paid by this date in order to make advance arrangements for your mission trip.

Yours in Christ

Mark
