Therapy Center for Down's Syndrome
Attn: Betty Celis

January 30, 2006

Dear Betty:

This letter details action taken by the Board of Directors of YPM at its annual meeting for the Year 2005.

The board's intent, as submitted in a letter November 2004, was that in the year 2005 YPM would pass on one hundred percent (100%) of the contributions to the Therapy Center fund and, in addition, pay 500 USD per month from our YPM revenue to the Therapy Center. If a donor gave us specific instructions for the gift, either in directing frequency of payout or specifying a purpose for the gift, we would honor the donor's instructions. We also insisted on facturas from the Therapy Center A.C. for each gift.

The status and funding of your organization is as follows:

- Total contributions received and funding sent in 2005 was 3,065.29 USD
- Total monthly funding sent for 2005 was 6,000.00 USD
- Received no facturas or confirmations or communications or thank yous or complaints

The action we have taken is as follows:

- YPM will continue passing on one hundred percent (100%) percent of the contributions received to the Therapy Center.
- If a donor directs payout frequency or specifies a purpose for the gift, we will honor the donor's instructions.
- We continue to insist on facturas from Therapy Center A.C. for each gift.

Please communicate this to the other members of the Therapy Center A.C. so they can make appropriate plans. We continue to value the work and mission of your organization, and hope that our cooperative efforts to improve the lives of the people of the Yucatan continue for many years.

Yours in Christ,
John Patterson, Director
