November, 2004
Dear Friend of YPM,

I am writing to you because of your previous mission service in the Yucatan with YPM. You know first hand how your efforts have blessed people and churches there. If your experience is anything like mine, you and those you have served with have been transformed through the power of Jesus Christ.

Many of you (churches) at this time are planning mission commitments, or deliberating over past funds that have yet to be distributed. I invite you to please consider helping YPM.

Your gift and others like it are necessary if we are to continue in this mission. They enable us to have on hand the tools and support staff necessary to ensure that participants are properly served and empowered: both for the American and the Mexican national congregations. For example, we have recently hired Pastor William Cen to be our Ministry Director. As such, he will solidify and expand our relationships with the National Presbyterian Mexican Church and Presbyteries of the Yucatan, and participate in a pastoral capacity within our ministry.

Would you please consider putting us in your mission budget? I know you (committee) will prayerfully and seriously consider our need, and for this I thank you.

This is an exciting time for YPM. To better accommodate the mission and our ongoing ministry, YPM has recently purchased land where, in the future, we will build a multipurpose base facility. It will include dormitory and office space, as well as be adaptable for worship and educational purposes. We are excited to be taking this step forward. We know that we can only do this with God's blessing and partners like you. You will hear more about these plans in the future.

We invite you to be a part of this very special time in the life of our organization! Any size gift you could help us with at this time would be most appreciated. We hope to hear from you soon. Thank you.

Yours in Christ,
Rev. Mark Hughey
YPM Board Member
