Dear Jaime:

The purpose of this letter is to communicate to you the action taken by the Board of Directors of YPM at its meeting last weekend in Puerto Morelos. The status and funding of your organization was a topic of discussion and the action we have taken is as follows:

We are currently holding \$12,100 U.S. in the Girl's Home fund, which is grant money earmarked for two student scholarships @ \$1,500 U.S. each and \$7,500 U.S. for window upgrades and repairs. There have been no students at the home for almost two years. We want you to be aware that if the home is not vacated and an independent governing board is not in place relatively soon, the donor church has indicated it will redirect the gift to other missions. As always, YPM pledges work with the donor and honors his/her wishes. The remaining \$2,100 has been set aside to assist Eduardo and Sophia with their relocation costs when they in fact do vacate the house. Again, if that does not occur relatively soon and on a voluntary basis, those funds will be redirected. Please communicate this to the individuals who you have said are on the governing board for the Girl's Home.

We continue to value the work and mission of your organization and hope that our cooperative efforts to improve the lives of the people of the Yucatan continue for many years.

Yours in Christ,

John Patterson, Director
