Therapy Center for Down's Syndrome
Attn: Betty Celis

November 15, 2004

Dear Betty:

The purpose of this letter is to communicate to you the action taken by the Board of Directors of YPM at its retreat last weekend in Puerto Morelos. The status and funding of your organization was a topic of discussion and the action we have taken is as follows:

The intent of the board in giving the \$930 U.S./month to the Therapy Center was to have this be a minimum level monthly payout of the contributions to the YPM Therapy fund. If the gifts to the fund total more than \$11,160 (\$930 x 12) a year, then we would pass that on to the Therapy Center, but if the gifts total less than \$11,160, we would not reduce the \$930 monthly payment. So far we have received much less than what we have paid out, even after we received a recent \$2,000 gift from the Royal Oak, Michigan church. Apparently, Betty you were under the misunderstanding that the Therapy Center would receive \$930/month plus all of the contributions to the Therapy Center fund. That was not our intention.

As a compromise, we will pass on the \$2,000 gift and continue the \$930/month through the end of the year. Next year, however, we will do it differently; we will pass on one hundred (100%) percent of the contributions to the Therapy Center fund and in addition, pay \$500/month from our YPM revenue to the Therapy Center. If a donor gives us any specific instructions for the gift, either in directing its payout frequency or specifying a purpose for the gift, we will honor the donor's instructions. We will also continue to insist on a factura from the Therapy Center A.C. for each gift. Please communicate this to the other members of the Therapy Center board so they can make appropriate plans.

We continue to value the work and mission of your organization and hope that our cooperative efforts to improve the lives of the people of the Yucatan continue for many years.

Yours in Christ,
John Patterson, Director
